

Does your band need a Steel Drummer, but not every gig? I have the ability to 'sit-in' and play all the right parts, to compliment an existing group- especially if you do an Island-Flavored sound to start!

Here's a *partial* list of pop-tropical songs and their keys:

- 1) Margaritaville (D)
- 2) Changes in Latitude (D)
- 3) A Pirate Looks At 40 (G)
- 4) Cheeseburger in Paradise (D)
- 5) Volcano (F)
- 6) Boat Drinks (D)
- 7) It's Five O'clock Somewhere (D)
- 8) Come Monday (A)
- 9) Son Of A Sailor (G)
- 10) When The Sun Goes Down (A)
- 11) Two Pina Coladas (F)
- 12) Fins (E)
- 13) Yellow Bird (F)
- 14) Jamaica Farewell (F)
- 15) Hot!-Hot!-Hot! (F)
- 16) Jump In The Line (F)
- 17) One Particular Harbor (E)
- 18) Kokomo (C)
- 19) Another Saturday Night (G)
- 20) Brown-Eyed Girl (G)

I can also transpose, if you don't do the original keys, and play keyboards & hand percussion. Call Island Jeff at (440) 582-3829, or email at jeffpanmusic@msn.com
