

I was lucky enough to appear on the FOX-8 television show, *“That’s Life” with Robin Swoboda* on Monday July 14th 2008 performing steel drum music while we cruised the Cuyahoga River on the Goodtime III piloted by *Captain Rick Fryan*. Robin’s humor, kindness and generosity were in abundant supply as we took over 100 guests on the late-morning adventure enjoying perfect weather and sight-seeing along the winding Cuyahoga.

Watch FOX-8, 10 am weekdays and on the weekends for replays of the show!
